July 3, 2014

AVAILABLE MONDAY, JULY 7 - GED Testing Vouchers

The following e-mail was sent to all program directors.

Beginning Monday, July 7, programs may begin submitting requests for the $20 GED® vouchers as discussed during last week's webinar.

Several downloadable, customizable materials have been posted to get programs started on marketing efforts. The following is available by clicking here:

- 8.5 x 11 poster
- Half-page fliers
- Postcards
- Door hangers
- Bookmarks
- Business cards
- Press release

This is what's going on …

$10 GED® testing now available in Kentucky
Thanks to funding earned when Kentucky Adult Education and the Department of Workforce Investment jointly met their 2011-12 Title I and Title II state goals, KYAE has purchased 8,500 $20 GED® testing vouchers. Because of this, while supplies last, qualified GED® test takers will be able to take each of the four modules of the GED® test for $10 each. Therefore, if someone takes all four sections of the test during this promotion, the full GED® test will cost $40 instead of the standard $120.

Once the student has passed one or more modules of the GED Ready™ test, programs may obtain a voucher by sending an e-mail to GED@ky.gov that includes the following:
- o Student's name
- o Date of birth
- o Name of county program
- o Content module(s) student is taking

Once the above is completed, the program will receive a voucher number, which the student will be able to apply toward the cost of a testing module when registering for a test.

To view the PowerPoint, notes and questions and answers from the June 24–25 webinar sessions covering the $10 GED® testing campaign, go here: http://kyae.ky.gov/educators/GEDhottopics.htm. Below the "GED® Hot Topics webinar presentation links," find "Special GED® Test Pricing Webinar," which is where the presentation and related materials are posted.
